

St. Gregory the Great Parish recognizes that there are many challenges being faced by our nation with COVID-19 putting so many restraints on all of us. We would like to do our part to try to help members of our community in any way we can.

If you have a service, a business or anything that you think might interest other members of our community, we would like to try to create a communication chain so that everyone can share their skills, talents and expertise.

Having quite a large email list and after much discussion, we feel that sharing of information would be welcomed in the name of helping each other during these challenging times. We would like to gather information of services being offered by our community members and share contact information for anyone who may be interested. Depending on the number of submissions, information may be shared in phases.

Please send your information to the email included below and specify where you are located, the area you service and how your services, skills, products are available (curbside, pick-up, delivery, office or home visit etc...)

If you send an image of your business card, we can include it with your details.

On behalf of St. Gregory the Great Parish, let's work together to help each other out during these difficult times.

Wishing everyone a Happy and Healthy 2021
